

REDFINN 10FM LUXURY SPORTFISHER

WORLD CLASS SPORTFISHERS

BUILT C.E. CATEGORY B FOR 12 FISHERMEN & 2 CREW

BUILT ON THE SUCCESS OF THE REDFINN 10,000 SERIES

If you want a high quality sportfisher, then the Redfinn 10FM is the perfect choice. The Redfinn 10FM meets the needs for a larger, high quality angling boat at sea. A high speed machine capable of long range cruising, designed to withstand the rough, cold and rainy conditions that the changing weather system throws at us. The Redfinn 10FM complies with EU regulations, built to MCA standards

The Redfinn 10FM is based on the ever successful Redfinn 10,000 series and is designed to accommodate the ultimate angling requirements: Safety, user friendly, soft dry ride, comfortable and fast in big seas, long range, perfect drift, no rolling, no broaching, no slamming and minimal fuel consumption.

The inside of the new 10FM boat Sleeps 8, 2 in the cabin, 2 in each of the two quarter berths and 2 in the forward cabin. Layout of plant and equipment is professionally planned. Everything is securely installed and easy to reach for adjustment or service. Wheelchair friendly access with 75cm width transom door. Ideal for big fish.
